

## **2022 IDBF CLUB CREW WORLD CHAMPIONSHIPS DINING HALL AND ATHLETE LOUNGE**

The dining hall and athlete lounge is more than just a place to enjoy a meal. Athletes purchasing the meal plan for the duration of competition days will enjoy an air-conditioned lounge where they can sit and relax and connect with fellow athletes while enjoying a live stream of the day's activities.

The following are sample menus for each day, developed to provide a general idea of the lunches that will be provided. These menus are subject to change based on availability of food items and will be finalized the week prior to competition.
